

KRIPANSH KUMRAWAT

B.TECH - COMPUTER SCIENCE ENGINEERING

📍 Indore, MadhyaPradesh 452009 ✉ kripanshkumrawat@gmail.com ☎ 8319895966 🔗 <https://www.linkedin.com/in/kripansh29>

ABOUT ME

NPTEL Intern at IIT Delhi and Microsoft Certified Associate Data Scientist. Passionate 4th Year CSE student proficient in Python, MySQL, and cloud platforms, with expertise in ML, data analysis, and DBMS. Demonstrated leadership at Google Developer Student Club and Abhyudaya Coding Club.

SKILLS

- JAVA (Core)
- Python with ML
- DBMS (MySQL)
- Data Structure and Algorithms
- Google Cloud
- Unix/Linux

PROJECTS

Spam Classifier

- Technologies Used (Python, Pandas, Numpy, NLTK, ML Models)
- Developed a Python Spam Classifier with Decision Trees, Random Forest, and Naive Bayes, optimizing email filtering for enhanced communication efficiency.
- **Link :** <https://github.com/shallow-universe/Spam-Classification>

Image-Classifier

- Technologies Used (Python, torch, torchvision, ML Models)
- Implemented a Python-based Image Classifier using torch and torchvision libraries, leveraging Convolutional Neural Networks (CNNs) to enhance image recognition accuracy and efficiency.
- **Link :** <https://github.com/shallow-universe/Image-Classification>

WhatsApp Chat Analyzer

- Technologies Used (Python, Numpy, Matplotlib, Pandas, Seaborn, RE, Streamlit)
- Developed a Python tool that processes chat logs to generate statistics and visualizations. It features word frequency, timeline, activity trends, and user metrics using Pandas, Matplotlib, and Streamlit, providing valuable insights from chat data for personal use and research.

EDUCATION

Shri Vaishnav Vidyapeeth Vishwavidyalaya, Indore

Indore, M.P. (2021–Present)

- B.Tech. (Computer Science Engineering) - Current CGPA: 8.05

Chameli Devi Public School, Indore

- Higher Secondary Certificate - Percentage: 83.83 Year-2021
- Secondary School Certificate - Percentage: 89.16 Year-2019

CERTIFICATIONS

- Data Science for Engineers - IIT Madras
- Database Management System - NPTEL
- Google Advanced Data Analytics - Coursera
- Programming in JAVA - NPTEL

ACHIEVEMENTS

- **GATE QUALIFIED - CS 2024**
- **National Player - All India University Championship - Pencak Silat**

Cloud Lead - Google Developer Student Club

(2023–Present)

- Shri Vaishnav Vidyapeeth Vishwavidyalaya, Indore

Developer Team Head - Abhyudaya Coding Club

(2023–Present)

- Shri Vaishnav Vidyapeeth Vishwavidyalaya, Indore
